Deputy Commissioners Office
Chitaldroog District
Dated 6th February 1897.

To

The Secretary to the
Govt: of Mysore
Munzarai Department.

Sir,

I have the honour to submit for sanction an Estimate Amounting to Rs: 3,700 for work remaining to be done in Connection with the Hari hareswara Temple at Harihar.

2. Government sanctioned no less than 3899 Rs: for effecting improvements to this temple and work according to sanctioned Estimate has been carried out and Completion bill submitted. It has also been inspected by you and therefore I have little to say on that subject

3. Having gone so far it is inadvisable that the work should be left practically in an incomplete state and the present Estimate has been framed mainly on lines personally suggested by you

4. The Estimate provides for the

the following work to be done.

(1) Improvement of front passage &
moving the Vahanas to a new build-
ing to be built-ne on the Chattram
where a new site has been acquired
for the purpose. —— Rs: 40.

(2) Chillan work to the main temple - 589

(3) Adding a bath room to the new
Kitchen behind the Chattram - } 760

(4) Fencing round the Chattram — 143

(5) Building a new house for keeping
Vahanas and other stores of temple
including deep foundations and
compensation for site —— 1979

(6) Contingencies —— 191

Total. — 3700

5. The work now proposed to be
done completes what remains to be
done for the temple; and I see no reason why
sanction may be accorded to the
estimate submitted. The whole of this
sum has to be met from the State
Peishcush as all the available surplus
from the Muzarai Funds of the District
is utilized for the Sri Ranganatha
Swami Temple at Kumbakonam Chilli
Varadarajan Sub Valook, and for the
construction of a new Chattram at
Chidambaram.

I have the honor to be
Sir,
Your most obedient servant

Order thereon:- The estimate submitted by the Dy: Comm ~~asks~~ for ~~consists of~~ the following work.

(1) Improvement of the front passage of the Temple, removing the Vahanas to a separate building --- Rs 40

(2) Petty repairs to the main temple ——— ------ 589

(3) Constructing a bathroom to the new Kitchen ~~attached~~ behind the Chatrum

(4) Constructing a privy near the Chatrum ..... 143 ½

(5) Building a new house for Keeping vahanas and other stores of the temple 1979

(6) Contingencies 191

Total 3702

2. Of the above Items, Nos 1 and 2, relating to the repairs of the temple are sanctioned, the total charge, ~~being met~~ viz 629 (40 + 589), ~~being met~~ from the state grant of Rs 15000/ sanctioned in Govt: Proceedings No. 809 / Mun 3 7105-92 dated 3d February 1896, for the repairs of Muzrai Buildings in 1896-7 the Comptroller will be requested to place at the disposal of the Dy: Comr. the amount of Rs 629/ herein sanctioned.

3. No State grant can be sanctioned for the construction of the bathroom and the privy for the Chatrum. The cost of the works must be met only from the funds of the chatrum; and of the

Institution has no savings at present then the only course should be to stop the feeding at the chatrum for such period as may be necessary for the accumulation of sufficient savings out of the monthly Tasdik. The estimates for the works in question may be submitted by the Dy. Comr., for sanction of Rs. - after sufficient funds become available for the purpose.

4. The proposed construction of a separate house for keeping the Vahanas of the temple is unnecessary; any old mantap near the temple - and it is believed there are some old ones adjoining the temple - may be utilized for the purpose provision of Rs 191/ made

Enclosure No. 2.

Sir,

I have the honour to acknowledge receipt of proceedings of Government No. C 44-5 of Mysore 7. 5793 the 4th ultimo regarding the estimate for repairing the Hanchadevana temple and Dharmachattram at Hanchar.

2. I have given an order for the work of the temple proper for which a sum of Rs. 629/- has been sanctioned to be put in hand at once and completed without further delay.

3. For the Chattram, I find on further consideration, it is not necessary to build a separate bath room. There is a small room in the range of new buildings behind the Chattram which may be adopted for a bath room to be used as such except during the Car festival when the Chattram and the kitchen behind are not available for

or to another that required for
2. the annual feeding in connection
with the Car festival. The amount
required 1st for adopting this room
as a bath room, 2d for building
a paving in the Compound and
3d for building a drain to carry off
sullage from the bath room and
from the kitchen is provided
in the revised Estimate for Rs: 261/-
herewith sent for which sanction
is solicited. The work will be
carried out from savings effected
in the Chattram.
4. The building proposed to be
built as a Vahanasala was recom-
mended mainly to improve the
South-West Corner of the temple
Compound. A site has been
acquired for the purpose at a cost
of Rs: 250/. and has to be paid for.
It has to be enclosed with a sub-
-stantial wall in order to prevent
nuisances being committed there.
I beg therefore to submit a separate
Estimate amounting to Rs: 956/.
for this work and beg it may
be sanctioned from the Government
grant for restoration and im-
-provement of important temples.
The necessary funds for the work
if not available immediately
may be allotted from the Budget
grant for 1897-98. The work on
sanction being accorded, will
be started of immediately and
paid for on or after the 1st July
next.

Sir,

With reference to your docket No: 1105/Muz. 57.93 dated 3rd May last I have the honor to request that the estimate of Rs 956 for the Compound wall of the South Western side of Sri Halei Hareswara Swami Temple at Halisha hereunto be transmitted, may be sanctioned from the current year allotment.

2nd The savings at the credit of the Halichal Chathram at the end of June amounts to Rs 10.15.4 and it is not possible to meet from it the cost of building a Bath room and privy for the Chathram. The Chathram at Halisha is practically part and parcel of the Temple and its improvement

way an improvement of the
Temple premises. I beg therefore
that the small sum required for
Completing the Chattram work
may also be met from the State Gra
If, however, that is not possible
the feeding in the Chattram
will have to be stopped. I am
however quite reluctant to have
recourse to this extreme step, seein

The Chattram at Haribar.

Order Mercan. No. 194-5 Date 57-93 4/5/8/97 En 2 d 1

The institutions in question have no savings at ~~to~~ credit from which the cost of the estimates may be met, The Chattram building being a part of the Temple premises, the Dy Comm^r recommends that the entire cost of both the estimates may be met from the State Grant in consideration of the importance of the

the Temples

2. In these circumstances, the estimate for Rs 261-00 for constructing a drain and privy to the Chattram is sanctioned, the charge being met from the State Grant of Rs 15,000 sanctioned in Govt Pro: No 944 Dy 10th March 1897 (Mov. 105-92) for the repairs of Mofussil Buildings in the Province during 1897-98
